THANKS TO THIS YEAR'S SPONSORS:

CPAs / ADVISORS

PRECONFERENCE TUESDAY, SEPTEMBER 18

Infection Prevention

ELETHIA DEAN, RN, BSN, MBA, PhD

10:00 a.m. - 3:30 p.m. (1/2 hour lunch)

6:00 - Preconference Reception - Gemini Restaurant in Hotel

WEDNESDAY SEPTEMBER 19

8:00 - 9:00 a.m.

Registration, Vendor Visits, Continental Breakfast, and Networking

9:00 - 9:15 a.m.

Welcome Address

GENERAL SESSION - 9:15 - 10:15

HOW TO BUILD EFFECTIVE, HIGH-PERFORMING TEAMS IN YOUR ASC

Brian Garver, VP, Business/Marketing, KeyBridge Medical Revenue Care

BREAKOUT SESSIONS 1 » 10:30 - 11:30 A.M.

SESSION 1A

Visual Inspection vs. Validated IFUs, an 'Invisible' Patient Safety Issue

James A. Schneider

Minimize your patients' risk of infections by only using instruments whose cleaning and sterilization IFUs have been 'validated' using FDA/AAMI validation testing. Learn the details this validation process, how to implement it and if you are doing it correct.

SESSION 1B

Are you Prepared? Impact of Latest ASC Medicare Regulatory Changes to Your Center

Kara Newbury

As usual, CMS has a new payment update for ASC, but it also includes some changes in a variety of other areas. Additionally, they are updating the guidelines for state surveyors. Hear the latest update for Ohio centers and what you need to do to prepare for these changes.

SESSION 1C

Advanced Case Costing in a ASC Environment

Ann Geier

Can you ensure that your reimbursement is covering your costs, or are you assuming it is? The only way to know for sure is to do case costing. The set-up can be tedious, but the benefits outweigh the initial work. Software systems can also do much of the work for you. Learn the ins and outs of case costing in this session for ASC professionals.

11:30 A.M. - 1:00 P.M. » LUNCH, VENDOR VISITS AND NETWORKING

GENERAL SESSION - 1:00 - 2:00

OHIO ASC UPDATE | Randy Leffler, OAASC

STATE OF THE UNION FOR ASCs | Bill Prentice, CEO, ASCA

BREAKOUT SESSIONS 2 » 2:15 - 3:15 P.M.

SESSION 2A

HIPAA Breaches Audits and Fines: An Update and Refresher on What You Should Already and Need to Know to Protect Your Ohio Center

Sydney Pahren

Learn how to update your HIPAA policies to protect mobile devices, prepare for HIPAA audits and avoid security breaches. Additionally find out the details of the HIPAA Audit Program and what it could mean to your ASC.

SESSION 2B

The Ohio Nurse Practice Act: Protecting You and Your Patients

Terry Pope

A thorough review of Ohio's nursing rules and laws from a 'current events' perspective with a review of whistleblower laws, reporting obligations and protections for Ohio nurses.

Meets Cat A Ohio Nursing Requirement

SESSION 2C

The Changing Healthcare Landscape: Current Trends and the Impact to Valuations of ASCs

Stephen Schulte

What are the key influences driving healthcare in today's evolving environment and how does that impact the value of your center for its investors and their future plans.

BREAKOUT SESSIONS 3 » 3:30 – 4:30 P.M.

SESSION 3A

**Do you have skin in the game?
The High Stakes of Skin Prep in an ASC**

Cheryl Stati

Relationship between microbial cells and human cells, impact of surgical site infections, CDC's conceptual formula for SSI Risk, surgical skin prep selection, creating a sterile surface to help manage the risk of surgical site infection.

SESSION 3B

Emergency Preparedness for Healthcare Facilities in a Dynamic World

Steven Foss

Healthcare facilities face numerous daunting tasks, but Emergency Preparedness doesn't have to be one of them. Learn how your center can have a robust emergency planning?

SESSION 3C

Enhance Your Scheduling & Staffing Efficiencies

Ann Geier

Staffing is one of the two biggest costs for every surgery center. It's a controllable cost, but this has to coordinate with effective scheduling. The presentation will focus on practical solutions that can be implemented quickly and which will result in significant savings.

20th Anniversary Celebration * 5:00 – 7:00

Join us as we CELEBRATE the 20th Anniversary of one of the best state ambulatory surgery center associations in the nation! For two decades, the OAASC has been a leader in supporting, promoting and advocating for the interests of some of the best ASCs in the nation. The association has come a long way in those years and is now recognized as a leader in the nation for our members.

We'll enjoy great food, drinks and the company of some of the best (current and past) ASC leaders and colleagues in the nation.

**THURSDAY
SEPTEMBER 20**

7:00 – 8:00 a.m.

Registration, Vendor Visits, Continental Breakfast, and Networking

8:00 – 8:15 a.m.

Day 2 Welcome Address

GENERAL SESSION - 8:15 - 9:15

COMPASSION FATIGUE: THE OTHER SIDE OF THE STETHOSCOPE

Amy Dee, RN

BREAKOUT SESSIONS 4 » 9:30 – 10:30 A.M.

SESSION 4A

OAS-CAHPS It is Coming!!

Ann Shimek

During this session the participants will gain an understanding of the CMS implementation of the OAS CAHPS survey, what they can anticipate and actions to put in place to enhance the patient's experience.

SESSION 4B

Addressing Common LSC Citations from CMS and ODH

William Lindeman

Ohio is stepping up the life safety code enforcement. The Ohio Department of Health has dedicated staff specifically looking for issues within all ASCs and they are finding them. Hear from one of the leading ASC life safety experts in the nation on what they are finding and how to best address and prevent problems at your center.

SESSION 4C

Billing Best Practices

Ann Geier

Many ASCs are self-contained and perform all business office functions in-house. How does the ASC know where it stands compared to national Best Practices? Is it performing at its best and bringing in all of the money that is owed to the center? This presentation will describe Best Practices and provide tools to help an ASC improve its performance.

BREAKOUT SESSIONS 5 » 10:45 – 11:45 A.M.

SESSION 5A

Accreditation: What You May Not Know for Accreditation and Medicare Deemed Status

*Victoria Samper
Cathy Montgomery*

This will be a detailed review of the steps for obtaining accreditation, requirements for accreditation, and common errors found during surveys.

SESSION 5B

Review of Top LSC Requirements for Both Existing and New ASCs and What Might Be Coming Next

William Lindeman

Do you know what you are missing OR could be missing in your center when it comes to life safety? There have been numerous changes over the past several years and more possibly on the horizon. Make sure you know before you see very costly repairs. In this session you will have all the info you need to take action in your center and share with leadership.

SESSION 5C

Current Billing Code Updates What You Might Need to Know and Possible Trends in Codes.

Paul Cadorette

Are you up to date on all of coding changes that have been made on major ASC-related procedures? This session will be a jam-packed session on the most significant coding changes and a glimpse into what might be coming soon.

BREAKOUT SESSIONS 6 » 1:15 – 2:15 P.M.

SESSION 6A

Governance: A Guide for Administrators

John Goehle

What do Ohio administrators need to know about what their Governing Bodies are required to do. This session will provide a detailed review of all you need to know to ensure a well-functioning governing board.

SESSION 6B

Keys to Physical Environment Compliance

Angela Timperio

Learn or review all the pieces of environmental compliance from a fire, safety, OSHA compliance and staff training.

SESSION 6C

Common 2017/2018 Coding Errors

Paul Cadorette

As is the case with everything, mistakes can be made. There is no reason we can't learn from those errors and ensure that they are not made in the future. This issue will address the top problems and how to not make them at your center.

BREAKOUT SESSIONS 7 » 2:30 – 3:30 P.M.

SESSION 7A

Review of SIGNIFICANT New Pharmacy Rules and What ASCs Need to Do

Ohio Board of Pharmacy

There have been significant changes to Ohio Board of Pharmacy rules, especially related to opioids, in the past several months. Many of these directly impact your ASC's ability to administer, store and send prescriptions home with patients. Hear first-hand from the regulatory body responsible for licensing and monitoring your processes

SESSION 7B

Conflict Resolution In Your ASC

Elethia Dean

Conflict at work is normal & when managed properly, it can stimulate change, discovery & increase productivity. Without resolution, it can grow worse, be costly, and destroy morale in the surgery center.

We will cover strategies for resolving conflict in the ambulatory surgery center setting. Critical thinking and problem solving strategies will be covered as well as proactive strategies in managing conflicts. The course is a must for every ASC professional.

SESSION 7C

How to Think Like a Surgeon When It Comes to Coding and Billing!

Jonathan Kaplan MD, MPH

In the current environment of high deductible health plans, ASCs need to start thinking like a cosmetic plastic surgeon and capturing payment prior to treatment, even for medically necessary services. Dr. Kaplan will explain how through price transparency and lead generation, you can start that conversation prior to their first visit to the office. Thus improving cash flow in the short term and increasing reimbursement in the long term once a deductible is met.

EVALUATION/TRAVEL HOME

BRIAN GARVER

VP, BUSINESS DEVELOPMENT/MARKETING
KEYBRIDGE MEDICAL REVENUE CARE

As passionate and dynamic speaker who brings energy and enthusiasm to everything he does, his excitement is contagious and he enjoys sharing how health care providers connect with each other for overall patient satisfaction and center performance.

The key to success is the people that surround you. Teams have always been, and will always be, an essential ingredient for building a successful ASC. But building great teams isn't something that just happens. It takes planning and ongoing effort to get them right--and to keep them that way. Brian will show you how to build your team into a performance powerhouse.

Each team member plays a role and each individual is part of the whole. The combined efforts of their team members not only produce superior results for patients and the center, they also build a sense of solidarity within your organization.

Brian will provide you with the knowledge to build an effective team for ongoing success including:

- The 10 Keys to a High Performing Team
- Hire the best possible individuals and motivate mid-performers to become rock stars
- How to establish team accountability

AMY DEE, RN

Drawing on her career as a psych RN, Amy turns advanced behavioral science into practical "retrain your brain" techniques for keeping negative thoughts from creating crazy-toxic emotions and situations at home and at work.

From interacting with difficult patients and coworkers, to coping with the epidemic overload of paperwork, processes, bed pans and long hours, she has a genius for using humor to reveal our profound power to stay sane by making small, personal choices each day that wind up changing ... everything!

WILLIAM (BILL) PRENTICE

CEO, AMBULATORY SURGERY CENTER
ASSOCIATION (ASCA) AND AMBULATORY
SURGERY FOUNDATION (ASF).

Being a seasoned lobbyist and association executive for a variety of organizations including the American Dental Association, Bill knows first-hand the ins and out of Capitol Hill and Washington D.C. politics.

And while the environment in our nation's capital is turbulent on a multitude of fronts, health care policy (legislative and regulatory) remains one of the hot buttons. These decisions in this heated environment can have real impacts on you and your center's ability to operate.

Bill will share his perspectives on the current climate in D.C, what has occurred so far this year and may or may not be moving forward that affects ASCs across the nation at the end of the year and beyond after the upcoming Congressional elections.

FELLOW ASC COLLEAGUES

Twenty years ago a dynamic group of health care professionals had the idea of putting together a fledging organization of other individuals who were running and working in ambulatory surgery centers.

Meeting numerous times over several months, this group of Ohio ASC pioneers decided to establish an association to provide resources, lobbying and networking opportunities to ASCs in the state.

All these years later, we are proud to say that we are one of the leading ASC associations in the nation and going strong.

Our annual multidisciplinary conference for ASC professionals is our most visible example of the incredible work that is performed on behalf of all Ohio ASCs and this year's conference is no less the case as we **Celebrate 20 Years of the OAASC**.

With so many requirements and challenges for ASC professionals are based on state regulations and issues, there really is only one conference that is solely dedicated to the interests of Ohio ASCs.

We will be offering a wealth of education, information and technical resources that can't be matched in the Midwest and maybe even the country. This includes more than 25 different sessions throughout the conference including a five hour infection prevention management pre-conference session, which will meet your all ODH, CMS and accreditation requirements.

Among the incredible topics covered at this year's conference:

- Full Day of Training for ASC Infection Prevention Staff (required by ODH)
- Infection Prevention Specific to Ohio ASCs Based on ODH surveys
- Clinical Issues Faced by ASC Professionals in the State
- Addressing Staffing Issues
- Emergency Preparedness Planning
- Ohio Board of Pharmacy Regulation Changes that Impact ALL State ASCs
- Common Coding and Reimbursement Mistakes and Updates
- HIPAA Breaches and Audits on Ohio ASCs
- New Ohio and Federal Rules and Regulations Updates and How they Impact Your Center
- Life Safety Code Issues in Ohio ASCs - How to Make Sure You Don't Have Them
- Category A Nursing Session on Ohio's Changes to the Nurse Practice Act

On behalf of the Board of Trustees of the OAASC, I look forward to seeing you in September for what promises to be yet another outstanding conference as we tackle the issues important to ASC professionals and celebrate the excellence of our state's ASC association and all that our centers do for our patients and healthcare in Ohio.

Victoria (Tori) Caillet, RN, CASC, CNOR

Chair, Ohio Association of Ambulatory Surgery Centers

Administrator, Wooster Ambulatory Surgery Center

**PRECONFERENCE
SEPTEMBER 18**

10:00 a.m. – 3:30 p.m. (1/2 hour lunch)

See Registration Form or Online Registration for Pricing.

Infection Prevention SPECIFICALLY for Ohio's ASCs

ELETHIA DEAN, RN, BSN, MBA, PhD

Did you know that ODH is requesting that ASCs have continuing education on Ohio-specific infection prevention citations? And you know what the top citation ODH finds...infection prevention - lack of appropriate plans, lack of oversight, lack of annual IP professional training and lack of in-service training.

In the past two years, 80 percent of surveyed ASCs have been cited for some lack of infection prevention controls. Are you sure that you are meeting requirements with a highly effective infection prevention program?

Nationally recognized ASC infection prevention (and Ohio's own) expert Elethia Dean will share her Ohio-specific perspectives on:

• **Top Ohio IP Citations** - What are they, what are the details behind them and can your center avoid them.

• **Proper, appropriate and complete components of an IP Plan**

• **Conducting a CORRECT annual/as needed IP assessment**

• **Tracking Surgical Site Infections APPROPRIATELY in an ASC setting**

• **Statistics for the ASC IP professional** - Knowing how to correctly calculate your center's data

There is ONLY ONE place in Ohio to get AFFORDABLE training and resources you need for your center AND address the most common issues cited in Ohio by inspectors. No need to travel to expensive trainings elsewhere when you can receive ALL that you need for your center here.

Our five hour pre-conference session on Sept.18 from 10:00 a.m. – 3:30 p.m. in advance of the OAASC annual multidisciplinary conference will cover the multitude of issues and concerns facing OHIO ASC professionals on a wide range of infection prevention topics.

Our expert presenter, Elethia Dean from ASC Compliance will provide a fast paced, informative packed program with excellent, evidence-based Ohio specific information and resources to have an IP program that is top notch and meets everything ODH and CMS needs. Anyone who has attended one (or more) of her presentations know that it will be engaging, interactive and informative.

Attendance will meet CMS and ODH requirements for infection prevention continuing education. All participants will receive a certificate of participation, information for in-service training and continuing education (nursing and BASC - see disclaimer).

You will go home with all the resources - including in-service training materials - you need to meet CDC, CMS and ODH requirements. And most importantly, you will have what you need for the highest quality of care for your patients on infection prevention in your center

PO Box 340225
Columbus, OH 43234-0225

REGISTRATION FEES

Early Bird deadline is September 7, 2018. Walk-in Registrations are welcome!

OAASC Member Full Conference (received on or before 9/7/2018)	\$349.00
Non-Member Full Conference (received on or before 9/7/2018)	\$499.00
OAASC Member Full Conference (received after 9/7/2018)	\$394.00
Non-Member Full Conference (received after 9/7/2018)	\$554.00
One Day Only: OAASC Member	\$239.00
One Day Only: Non-Member	\$334.00
Each Additional OAASC Member Full Conference.	\$269.00
Each Additional Non-Member Full Conference	\$394.00

See Registration Form or Online Registration for Preconference Pricing.

ACCOMMODATIONS

All rooms (1 King/2 Doubles) will be available for the rate of \$169.00/night at the Hilton Columbus/Polaris. This rate is guaranteed through August 18th.

If you want to make reservations, please call 1.888.864.8055 or 614.885.1600 and **use the group code: OHAAMB. Or go to the OAASC website www.oaasc.net for the online link or other hotel options.**

CONFERENCE ATTENDANCE CANCELLATION

Cancellations received in writing at the OAASC office by 5 p.m./eastern on September 7th will be entitled to a refund, less a \$50 administrative fee. Cancellations received after September 7th will be subject to a 50% penalty. Conference “no-shows” forfeit their entire registration fee. Substitutions are welcome with advance notice. Telephone and email cancellations will not be accepted. Please mail cancellations to OAASC: P.O. Box 340225 Columbus, OH 43234-0225 or fax to 614.467.2071.

DIRECTIONS

The Hilton Columbus/Polaris is located at 8700 Lyra Dr. Columbus, Ohio 43240.
Traveling I-270 or I-70, proceed to I-71 North to Exit 121 which is Polaris Parkway. Turn left (West) onto Polaris Parkway and proceed to the first traffic light, Lyra Drive. Turn right at Lyra Drive.

PARKING

The Hilton Columbus/Polaris provides 500 complimentary spaces for self-parking at their facility.

This conference has been submitted to the Ohio Nurses Association (OBN-001-91) for approval for all three days to award contact hours. The Ohio Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

An application has been submitted to the American Association of Professional Coders for CEs for the program. This full program has been submitted for approval by BASC Provider #6228 for CASC certified professionals. You must attend the entire curriculum and complete an evaluation form to be awarded CE units. No exceptions will be accepted. Please contact Randy Leffler at 614-358-0177 for more information about contact hours.
